

## ESSC Ch Show 2018 – Junior Handling

It is always a pleasure to see our Juniors competing with such enthusiasm and competence. It was certainly very difficult to divide them.

6-11 years of age

1<sup>st</sup>. Isobel.

Was alone in this class and displayed her confidence, watched the judge and did all that was asked. She deserved her 1<sup>st</sup> prize. Well done.

12-16 years of age

1<sup>st</sup> Katya

Very confident and relaxed without over doing it. Placed the dogs feet well on the table . A slightly relaxed lead allowed her to move freely. A real rapport between handler and dog. Took the trophy for Best Junior Handler. Well done.

2<sup>nd</sup> Willow

A smart combination and well disciplined. Kept an eye on the judge at all times. Kept the dog between her and the judge. Positive turns on the T. Well done
